**PARK DISTRICT “CIVIL WAR DAYS”**  
**OCT. 15<sup>TH</sup>-17<sup>TH</sup>, 2010**

Dear Reenactors,

Welcome to the 15<sup>th</sup> Annual Dollinger Farm/Channahon Park District Civil War Days Reenactment sponsored by the Dollinger Family Farm and the Channahon Park District. Your Hosting Units are the 64<sup>th</sup> Illinois Company E, Inc. Y.S.S., 26<sup>th</sup> North Carolina and the Army of the Cumberland. All of the hosting units are proud to be part of this event and invite all our reenactor friends to come enjoy a weekend of living history on the Farm. **This event is scheduled for the weekend of October 16th-17<sup>th</sup>, 2010.**

We continue to strive to make this event the best civil war era reenactment not only for our reenactors but for the Northern Illinois area general public who have attended this event year after year with great support. **All participants are strongly urged to thoroughly read and understand all sections of the rules and policy section before submitting your registration to the Dollinger Farm Civil War Day's event.** There have been changes instituted in the last year for the safety and protection of all our reenactors. There has been a format change and all pertinent information will be included in this initial contact registration packet to all who registered for the 2007 event. When you have thoroughly read your packet and returned your registration to the registrar, you will receive a confirmation letter stating you have been registered. The Dollinger Farm/Channahon Park District Civil War Days Committee try to make this event the best Illinois has to offer and wish to thank all our returning participants to the Farm.

**Again, this year we have a full reenactment planned starting with area schools arriving on Friday to participate in programs designed for primary, middle and high school level students. Amenities include one of the best reenactor meals anywhere on Saturday night. Other amenities include wood, straw, hay and water. On-site RV parking is also available for a nominal fee of \$10.00 per night paid at the time of registration.** Our Civil War Ball will be on-site again this year with a wonderful band. It will be an occasion everyone will enjoy, so please bring your family or that special someone and dance the night away at the Dollinger Farm Ball.

The Dollinger Farm/Channahon Park District Civil War Days Reenactment does not store powder or have powder for artillery bounty. Instead we pay a cash allowance to each participating artillery unit, paid by check to the owner of the artillery piece or pieces on Sunday morning.

At the event in 2010 we hope to have a variety of activities for everyone to enjoy and of course, to learn some Civil War era history as well. **A battle will take place at 2:00 p.m. as usual on Saturday and Sunday.** The schedule of events will follow with a confirmation letter once your registration is received.

You will find the registration information for individual and unit registrations including waiver form, rules and policy statement, and information local lodging and restaurants. Directions to the event have also been included. All invited sutlers will receive a separate registration containing pertinent information as well. If you have any questions, please contact Henry Vincent at the information given below. **DEADLINE FOR REGISTERING IS OCTOBER 1<sup>ST</sup>, 2010.**

Only properly functioning historically accurate weapons of the American Civil War period will be allowed.**

### ***ARTILLERY***

Artillery rounds must be of the proper size and powder load for the muzzle type being used. Use only black powder. When un-attended, the artillery piece must be unloaded and locked down along with its attachments and accoutrements. Officers only should have side arms as the committee considers this a safety issue. All ammunition must be kept in accurately reproduced cartridge boxes, packages, and crates. All powder should be stored in a safe place away from open flames and other heat sources. Please make your cartridges before coming to the event as exposure of loose gunpowder to unsafe conditions is prohibited.

### **DRILL**

All drill shall be conducted on the Battlefield unless given permission by the event co-coordinator. All military participants must drill with their particular units to be eligible to participate in the Battle.

### **RESPONSIBILITY AND CONDUCT**

It will now be the policy of this event that:

- (A) All persons found responsible of conduct of a violent and/or threatening nature shall be removed from the event immediately and permanently.
- (B) All persons found responsible for conduct endangering another person's health and/or life with any kind of weapon shall be removed from the event immediately and permanently and the police/authorities may be notified or called immediately.
- (C) Any person found responsible for any of the above situations but also found under the influence of alcoholic beverages of any kind and/or illegal drugs, the authorities/police will be called/notified immediately and that person arrested and permanently barred from the event.
- (D) No firearms or knives of any kind will be allowed at the Ball on Saturday night. Officers must sheath their swords and carry empty revolver holsters or otherwise leave holsters and/or swords in camp.
- (E) All weapons will be immediately unloaded after the Battle while still on the battlefield prior to marching back to camp and cleaning of weapons. **DO NOT** unload weapon in camp by firing weapon. Empty it on the battlefield.

- (F) Weapons should not be left loaded and lying around camp. This is a safety problem. All loading of weapons should be just prior to battle. This should be the responsibility of all Unit commanders.
- (G) Breach of these policies may result in expulsion from the event.

The basic idea outlined in previous statements is: loaded weapons have no business in our camps, at the Ball, in our civilian camps or anywhere else except on the battlefield or in situations that may be supervised by responsible officers and N.C.O.'s.

## **HORSES/CAVALRY**

A current EIA test (coggins) is required for each animal and must be provided at registration before unloading. If your paperwork is out of date or you don't have any paperwork at all, your animal will not be permitted on site. Please have your animal tethered at all times when not being used for event purposes or exercised by owner.

## **IMPRESSIONS**

Dollinger Farm Civil War Days Event welcomes all period impressions. Please, no impressions of bad taste. All impressions must be of the mid-war era. Please adhere to the proper styles of clothing, dress, head and hair wear for men, women, and children. That is clothing and hairstyles of the 1860's. Period type eyeglasses only should be worn. Make-up was not common for women of the period.

## **SPECIALIZED IMPRESSIONS**

All medical impressions are welcome, as well as other specialized impressions such Signal Corp, and musicians. But all must have authentic period impressions. The committee must approve any other special impression that may be out of the norm.

Proper areas for all military camps will be established and separated for both sides. Please, properly situate and continuously supervise appropriately functioning fire-pits.
